

# Oil / Air Cooler ASA 0176 GT

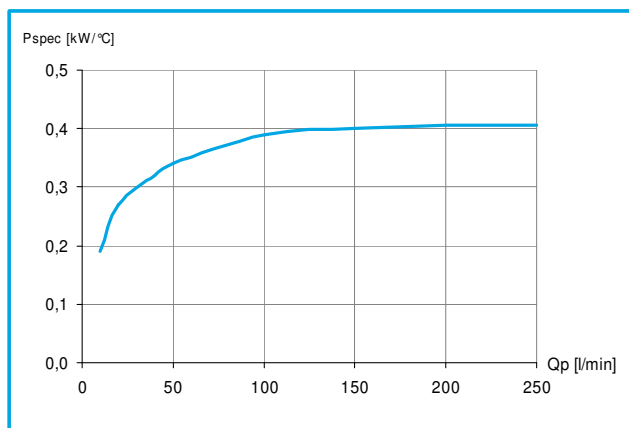

12 / 24V DC with protection housing and temperature control

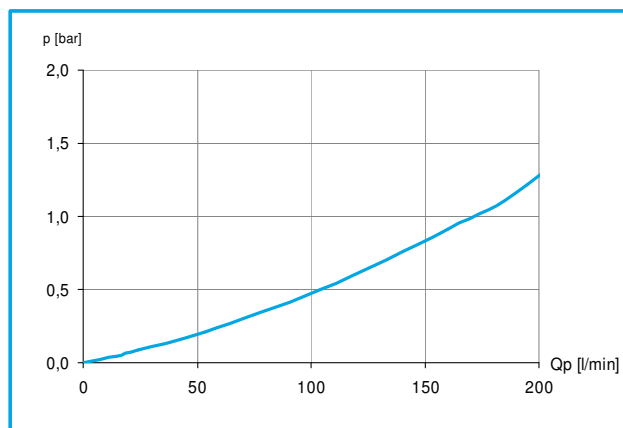

## Technical Data

description	order number	motor power	protection level	current	air flow	noise level	weight
		[kW]		[A]	[kg/s]	[dB(A)]	[kg]
ASA 0176 12V DC GT	ASA0176AD01GT	0,24	IP 67	18,6	0,65	79	39
ASA 0176 24V DC GT	ASA0176AD02GT	0,24	IP 67	9,3	0,65	79	39

specific cooling performance

pressure drop at 30cst

### radiator

material:	aluminium
air fin shape:	wavy
working pressure (static):	26 bar

### connection

asa universal connector BSP 1 1/4"	ILLZASA32G32 (requires 2 per cooler)
